The Fold Down Door is the superior classy option. You can customise the Fold Down Door Hideaway Bed from a lounge room setout to the most luxurious main bedroom. It is light weight, smooth and it's quiet operation ensures a wonderful nights sleep.

Photo Gallery displays for Home/Office, Kids Room, Lounge Rooms and more.. Email us on sales@hideawaybeds.com.au to receive more photos.

Additional Information:

The Fold Down Door Horizontal Side Fold single wall bed is ideal for low height applications. Standing just under 1200mm high, this unit has all the features of the Fold Down Door and is light-weight. Available in Single size only. All Hideaway Beds are the latest in design, comfort and safety.

This is NOT a DIY mechanism. The Fold Down Door Mechanism must be put together by a qualified Cabinet Maker or Builder after Cabinetry has been constructed.
